# **Component Procedures: Power Steering Fluid**

## **Vehicle Damage Warnings (itype\_16)**

DO NOT  
use  
automatic transmission fluid  
instead of Mopar  
Power Steering Fluid  
. System damage can result.

## **Capacities (itype\_30)**

Power steering fluid Power steering capacities are dependant on engine/chassis options as well as steering gear /cooler options. Depending on type ans size of internal cooler, length and inside diameter of lines, or use of an auxiliary cooler, this capacity may vary.

## **Fluid Types (itype\_31)**

Mopar(R)  
Power Steering Fluid  
or Equivalent

## **Fluid Types and Capacities (itype\_436)**

Fluid Types  
Capacities

Power steering fluid Power steering capacities are dependant on engine/chassis options as well as steering gear /cooler options. Depending on type ans size of internal cooler, length and inside diameter of lines, or use of an auxiliary cooler, this capacity may vary.

## **All Technical Service Bulletins (itype\_100)**
