

Component Procedures: Brake Fluid

Table of Contents

1. Specifications Quick Reference (itype_439)
2. Fluid and Lubricant Recommendations (Article 12585_clone68226309_1)
3. All Technical Service Bulletins (itype_100)
4. OEM Policies and Procedures (itype_120)

Component Procedures: Brake Fluid

Specifications Quick Reference (itype_439)

Quick Specifications

- item

Fluid and Lubricant Recommendations (Article 12585_clone68226309_1)

Usage Fluid/Lubricant

Hydraulic Brake System DOT 3 Hydraulic Brake Fluid GM P/N 88862806 (Canadian P/N 88862807)

Hydraulic Clutch System DOT 3 Hydraulic Brake Fluid GM P/N 88862806 (Canadian P/N 88862807)

All Technical Service Bulletins (itype_100)

Tsbs

- Questions Regarding The Use Of High Performance / High Temperature Brake Fluid During Track Use (PIC6162D, 2021/01/19)

OEM Policies and Procedures (itype_120)
